- Hitler's Gift. Jean Medawar and David Pyke. Piatkus pp268.
- Medawar, J. and D. Pyke. (2000) *Hitler's Gift*. London: Piatkus. p.268.
- Feldberg, W. (1977) The early history of synaptic and neuromuscular transmission by acetylcholine: reminiscences of an eyewitness. *The pursuit of nature: informal essays on the history of physiology*. A. L. Hodgkin, A. F. Huxley, W. Feldberg, W. A. H. Rushton, R. A. Gregory, and R. A. McCance. Cambridge: Cambridge University Press. p68-69. At the end of the second world war, Feldberg was awarded a considerable sum of 'restitution money' from the German government. He generously used it to set up a fund for the furtherance of good relations between German and British scientists: each year it awards a handsome prize and financial support for one British scientist to visit Germany, and one Germany scientist to come to the UK. I was once a grateful beneficiary myself.
